SOCCEROOS,

It's your turn to STUFF HISTORY

1. Download and print out your very own History!
2. Stuff him, i.e. see how he cooks in the toaster, feed him to the neighbours Rottweiler, slam his head in the door, or even place him in the blender for a great History smoothie.
3. Take a photo of History being stuffed send it in and we will place it on the website then decide on a winner.
