

# Canon Business Making clichés a reality

*Workflow Security. Sounds like a buzzword, but in fact it's a simple, clever Canon security solution that guarantees the right document goes to the right person at the right time - minimising waste and ensuring confidentiality. It's a real winner. [canon.com.au](http://canon.com.au)*

# Canon Business Making clichés a reality

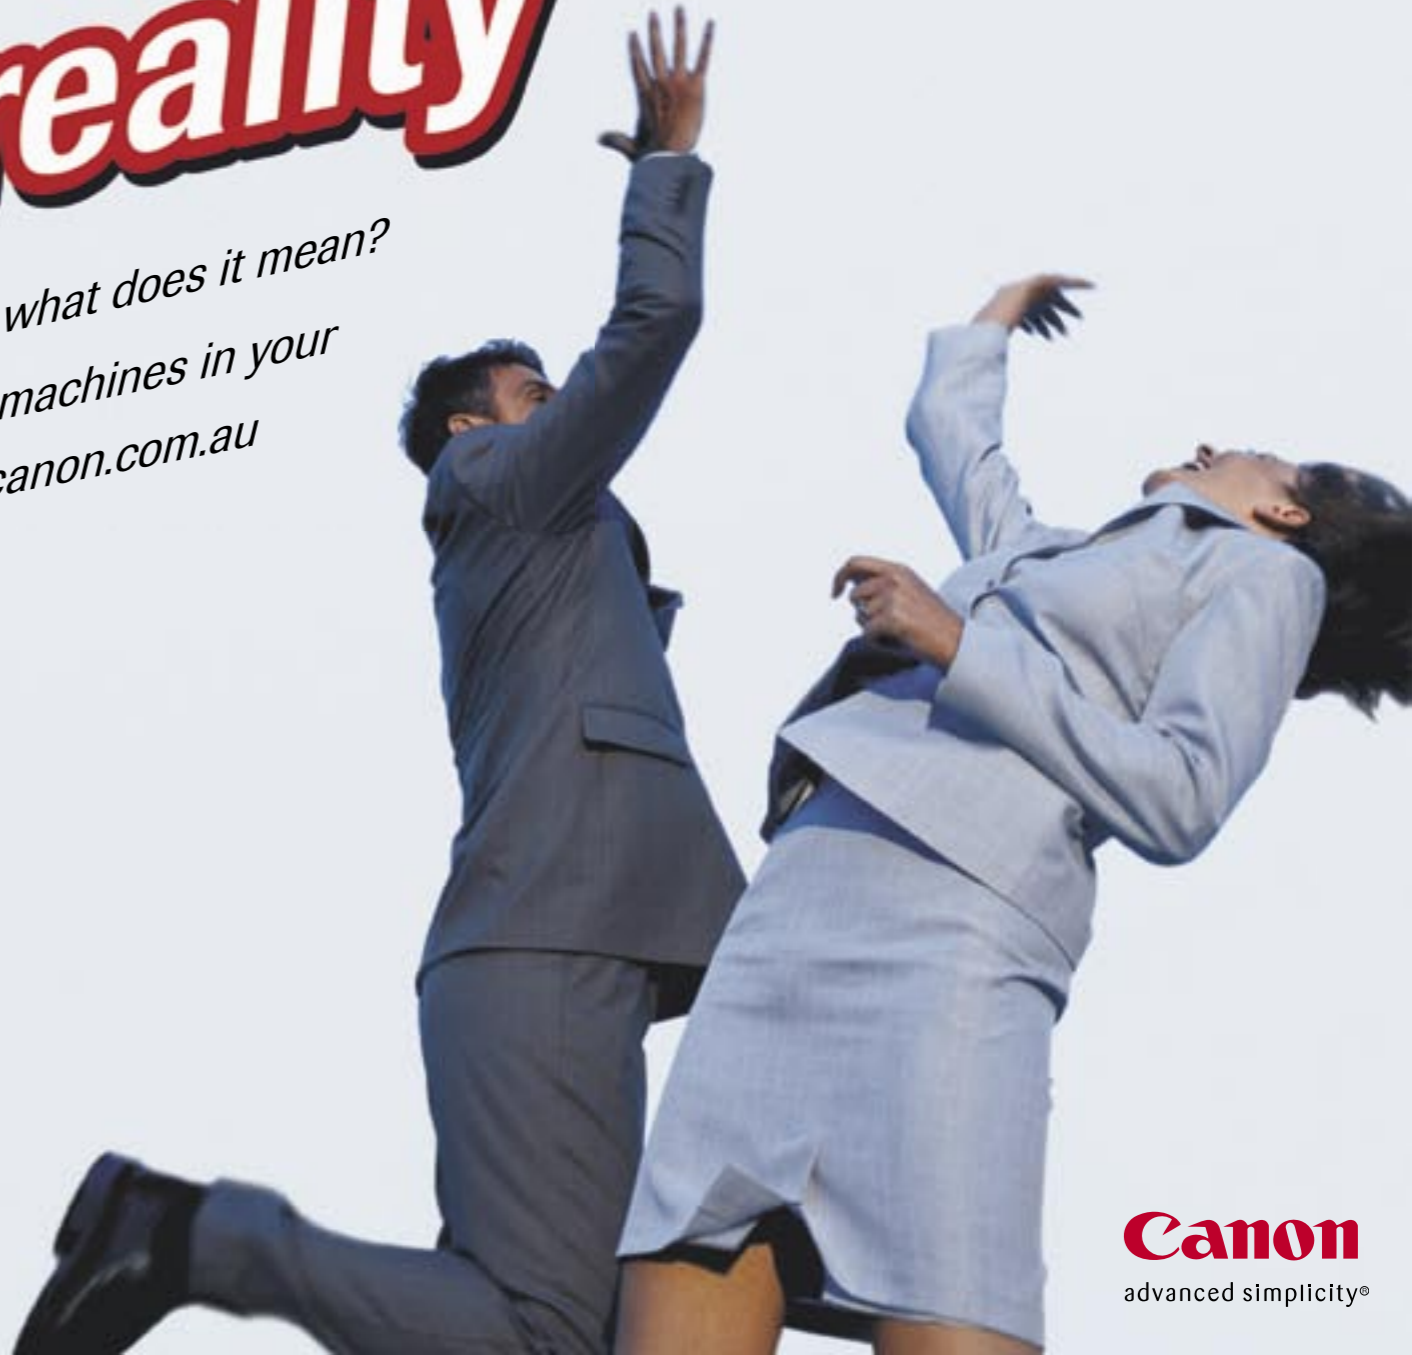

*At Canon we specialise in making businesses run smoothly and simply. So work with us  
and together we'll find out what's holding you back and fix it. Big thumbs up. [canon.com.au](http://canon.com.au)*

advanced simplicity®

# Canon Business Making clichés a reality

*Streamlining. Workflow. Document efficiency. Everyone's saying it - what does it mean?  
At Canon it means having clever software and fewer, faster, smarter machines in your  
office. Takes up less room, yet does more stuff. High-fives all round. [canon.com.au](http://canon.com.au)*
