

I grew up in the
woods, the real
Sticks.
God, it was
boring

My parents
were Sycamores,
my grandparents
were Sycamores.

It was the
family business,
but I wanted
more...

So I went to
the city, got
into papers.
which was good

I got recycled,
learnt a bit.

But it was all
so black & white,
So I decided to
break into
advertising

I visited
recruitireland.com
and a few weeks
later here I am.

And you're
reading me.
So I guess I'm
a success.

WHAT HAVEN'T I DONE?

I've WORKED
everywhere

BIROS
PENS

AND NOT JUST
SHOPPING LISTS

I've been involved
in quite a
few love letters,
Scandalous
ones.

But I was
spreading myself
a little thin
and I knew it.

So, I went to
recruitireland.com
I got a few interviews
and got **into**
TYPE.

I did a
few leaflets,
even a few
headlines.

Then I landed this job
with a typographer.

SINCE
THESE
THINGS
HAVE
REALLY
TAKEN
OFF.

I STARTED OUT
AS A LINE ON A
MEDICAL CHART,

BUT IT WAS
A BIT FLAT.

SO I TRIED
SOMETHING
ELSE.

I WORKED
WITH THE
COUNCIL FOR
A WHILE,

TRAFFIC
CONTROL,
NO LESS.

I EVEN HAD
A PARTNER.

NICE GUY,

BUT IT
WASN'T
FOR ME.

THEN I WENT TO
RECRUITIRELAND.COM

AND THAT'S
HOW I BROKE
INTO THIS.

IT'S GREAT,
I LOVE WORKING
IN A TEAM

AND THE WORK
JUST REALLY
STRIKES A CHORD
WITH ME.
