

**THE LITTLE CAR
WITH THE BIG
HEART**

**I give off less
because there's
less of me.**

I'll donate my
body parts so
others can live
after i've gone.

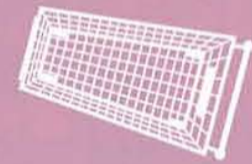

**THE LITTLE CAR
WITH THE BIG
HEART**

**I'll take you to
Wellington
without stopping
for a drink.**

**When i park
i leave room
for others to
park too.**

**What i lack in size,
i make up for in spirit.**
