

**WE MUST MAKE THIS A THING OF THE PAST.**

It's frightening to think children today are still recruited as soldiers, employed as prostitutes, or don't have access to clean water. These are some of the many issues Save the Children is working to make obsolete. Don't miss our unique 'Make it a thing of the past' exhibition at Southern Cross Station, corner of Collins and Spencer Streets, 3-12 July.

**WE MUST MAKE THIS A THING OF THE PAST.**

It's frightening to think that children today are still being displaced from their wartorn homelands, employed as prostitutes, or don't have access to clean drinking water. These are just some of the many issues Save the Children is working to make obsolete. Don't miss our unique 'Make it a thing of the past' exhibition at Southern Cross Station, 3-12 July.
