GAY

Unfortunately, not everybody is. The gay community in Hong Kong faces discrimination in housing, jobs benefits and immigration. Why do people find it difficult to accept gays and discriminate against them just because of their sexual orientation? If you want to bring happiness to gay people all over the world, please go to www.amnesty.org.hk to give your support.

Everyone should be equal in society. Unfortunately, they are not. The gay community in Hong Kong faces discrimination in housing, jobs benefits and immigration. How can they be happy if they are discriminated because of their sexuality? If you want to bring happiness to gay people all over the world, please go to www.amnesty.org.hk to give your support.

Unsurprisingly, not everyone is gay enough. The gay community in Hong Kong faces discrimination in housing, jobs benefits and immigration. Would you be happy if you were discriminated against just because of your sexual preference? If you want to bring happiness to gay people all over the world, please go to www.amnesty.org.hk to give your support.
