

SEEN, NOT HERD.

Sick of 'death by dull'? It's time to step up. Introducing Rukus by Toyota. Neck-snapping looks, spine-tingling 2.4L VVT-i engine and enough space to start a Rukus of your own. It's a combo that won't just tame the urban jungle, but devour it.

Unleash Rukus on the streets. Visit rukus.com.au

DON'T BLEND IN.

DON'T BLEND IN.

THRILLER, NOT VANILLA.

It's time to punch above your weight. Introducing Rukus by Toyota. Unflinching looks, corner-crunching handling and power to boot. 123kW of it to be exact. All delivered from an uncompromising 2.4L VVT-i engine. So get ready to break from the pack and put a bit of thrill in your life. Start a Rukus of your own. Visit rukus.com.au

Vehicle shown with optional decal accessory.

NO ROOM FOR BORING.

Ditch what you know about small car space. Introducing Rukus by Toyota. Uncompromising looks, cavernous storage, and head and legroom that flies in the face of small car norms. With all this space you won't have to leave anything behind, except boring. Create a Rukus, inside and out. Visit rukus.com.au
